

Grange Juniors News

Spring term 2 March 2017

Book Week

World book day in March saw book characters come to life as eggs! Well done to everyone for the fantastic creations – you are a talented bunch. Every child that entered received a certificate and a cream egg. Winners in each category also received a signed copy of a DD Everest book.

We were lucky to have DD Everest author of the Archie Green books work with all children in the school during book week.

Grange Fun Run

Thank you to Mr Butcher and Mrs Best who run our lunchtime running club. Some of the club children plus some others took part in the primary schools fun run at Frogmore in March. We were very proud of everyone – all of whom completed and finished. A particular mention to Rhys Baker 6R who came third overall and secured himself a bronze medal.

Rock steady

The whole school enjoyed performances from our rock band pupils last week. We all rocked along to some incredible performances. If anyone would be interested in guitar, drums, keyboard or vocals, we would love you to join the bands. You can find out more details from school or rocksteadymusic.com.
