

# Grange Juniors'

## News July 2018

**School finishes on Friday 20 July at normal time; however, pupils can be collected at 1.15pm if parents wish to.**

Dear Parents

It's hard to believe that we are in our final week of the school year; although with the hot weather and football excitement I think that everyone is tired and ready for a holiday now!

We will be saying goodbye and good luck to our year 6 children as they begin their secondary school journey. I would like to say a big well done to all year 6 pupils on their SATs results, the tests are challenging and they worked hard to achieve their best. The results were 92% achieved age related expectations in Reading, 86% in SPAG, 85% in Maths and 93% in writing.

I wanted to take the opportunity to wish you all a very relaxing and enjoyable summer break and I look forward to welcoming our year 3, 4, and 5 children back on Wednesday 5<sup>th</sup> September.

Ms P Burgess

### Medicines

If your child has medicine in school, please collect this from the office on Friday 20<sup>th</sup> as it cannot be sent home with children

### Lost property

This will be put out on the last days of term – after that any unnamed items will be disposed of. This includes bicycles and scooters which are left in the bike shed.

### Uniform

Please ensure children come to school in September in full uniform with **everything** labelled.

### Clubs

Details of clubs for September have already been released. Signing up is on a first come first served basis.

### Summer Fair

Thank you to everyone who contributed to the summer fair and everyone who gave their support to school simply by attending the event on the day. A very grateful thank you to the staff who all contributed their time, to the parents and friends who helped out on the day and particularly to Ms Thorne, Mrs Gosden and Mrs Constable who gave the school many hours of their time.

### Daily Mile

Recently we welcomed local MP Leo Docherty to officially open the newly installed Daily Mile Track. The track has already proved popular with pupils who have been spending 15 minutes a day walking, jogging or running around it. We are sure that we will all see the benefit in both improved physical fitness and improved concentration.

### Goodbye and Good luck!

We say goodbye to Mrs Baptiste and Mr Fallon. We would like to say a big thank you for all your hard work and dedication to Grange.
