

Grange Community Junior School
PE and Sport Premium Grant 2018-19

Physical Education & Sport Grant (PESG)	
Total number of pupils on roll	223
Total number of pupils eligible for PESG	223
Total Amount of Physical Education & Sports Grant	£7,613

Background & Context of PESG

PESG was introduced from April 2013 so that schools could improve the quality and breadth of their physical and sport education

Schools are free to determine how best to use this funding with the expectation that there will be an increased participation by primary aged pupils in PE & Sport so that they develop healthy lifestyles and reach the performance levels they are capable of.

Rationale of PESG

Grange Community Junior School is committed to enabling all pupils to achieve to the best of their abilities in a range of activities which promote a physically active lifestyle. As well as adopting healthy lifestyles we want our children to enjoy, regularly participate in and reach the highest sporting performance level they are capable of and can sustain into lifelong participation. We also want to encourage a healthy/ physical active lifestyle in and outside of school.

Our school takes a holistic approach to the development of sport and physical activity for all, and we encourage collaboration and partnership to make the best use of resources and enhance the profile of PE and sports provision; this in turn will increase participation and achievement levels for all pupils.

- All children benefit, regardless of ability
- Staff have access to CPD and training opportunities
- Subsidies will be available so that pupils do not miss opportunities due to financial restraints
- We make use of collaborative and partnership working

PESG Project Spending

Project	Objective	Cost	Outcome
Continue paying for planning of PE Curriculum	Provide high quality PE lessons through updated schemes of work, lesson plans, assessment tools and access to IT resources	£318 subscription to PE Primary website access	Due to the curriculum change, this will be the main resource for years 3 and 4 to access planning and resources to make sure the children are being taught the appropriate skills required for the sports in Year 5 and 6.
Resources for PE	Provide fresh new resources for the children to use so they can access the different sports. Also making sure there is enough for a class to use at a time so everyone can participate in the lesson.	£129	Children's access to quality PE and Sports is maximised by providing quality equipment and enough for everyone so they do not have to share.
Encouraging our children to develop their leadership skills through sport	Training and certification of the children through Play Maker and Young leader Awards (Sport England programmes)	£75	Children qualified to lead lunchtime activities and support sports events and initiatives across the school
Provide swimming lessons for all children in Year 5	Provide swimming lessons to all Year 5 children	£3701	Every child has access to high quality swimming teaching to ensure progress in their ability to swim and be safe in water.
Introducing new sporting activities to the children through sports4kids- yoga Couch to 2K – running	To provide a varied curriculum for the children and improve their health and wellbeing	£1000	Providing wellbeing and calming techniques for children and teachers to apply throughout the school. It gives the pupils a chance to experience a different element of PE which they could use in a home environment. The couch to 2K enabled pupils and their family members to access training from an Olympic athlete and to take part in a 2K park run.
Interactive boards	To engage pupils to be active during lunch times. To make sure they are active for an extra 30-40 minutes a day (during school).	£3500	The boards are thoroughly used during PE lessons and at lunch times. There are different competitive games which they can play solo or with a partner. This helps increase their competitiveness and endurance.
Daily Mile inspection	To make sure the daily mile is safe for the children to continue using and getting their 15 minutes of exercise which is helping with their well-being and health	£250	Well-being, behaviour and fitness of children has improved- data formed by Caroline Hyland.

Impact of the Funding

The impact of the Sports Premium funding will be evaluated as part of our normal self-evaluation. We will assess how well we use our Sports Premium to improve the quality and diversity of PE and sports provision, including participation levels in class sessions and after school, so that all pupils develop healthier lifestyles and achieve the performance levels they are targeting.

Providing places for pupils at various after school clubs.

Cheer leading: 16 children

Dance: 20 children

Football: 40 children

Netball: 20 children

Athletics: 20 children

Running: 20 children

Hockey: 20 children

Yoga: 16 children

Dodgeball: 20 children

Couch to 2K – 14 children

A total of 120 children attended sports enrichment clubs - 223 on role so 53% of school involved in sports clubs.

(The school subsidises all after school sports clubs to allow equal access for all).

Enabling pupils to take part in inter school sports events:

Cross Country event: 18 children

Tennis tournament: 4 children

Dodgeball tournament: 12 children

Netball league: 14 children

1 pupil joined Aldershot athletic club (as a result of the couch to 2K)

A total of 48 children attended an inter school sports event (223 on role so 22% represented the school)

Engaging more pupils in physical activity:

- Training selected pupils to become sports leaders and play makers providing activities on the playground and supporting intra school sports events.

30 Year 5 and 6 children were involved in training and certification as Young Leaders and Play Makers.

- Awarding of certificates to note children involved in sports activities, clubs and events.
- Sports leaders leading games at lunchtime to encourage more games at lunch times.
- Establishing a link with Farnborough Sixth Form College where students support our sports events, especially on sports day.

- Ensuring links and information about outside sports clubs are shared effectively with the children through assemblies and leaflets home (football, cricket, swimming and athletic club links available).
- Advising children to attend out of school clubs if the teachers spot children which have a talent for sports, such as running clubs and gymnastic clubs.
- Entering a netball team into our local league which encouraged the participation in the sport and came second in the league. With also the aim of entering a football also next year to encourage the same.
- Introducing a new sporting activity to our long term plan- Yoga.
