October 2022

Dear Parents

It is quite incredible to think that our current children will have experienced a pandemic, Platinum Jubilee, the passing of a monarch and a future Coronation during their Grange years. All of these historical events continue to highlight the importance of community and everyone pulling together; values which continue to underpin everything we strive to achieve for the children. There's lots planned for the weeks ahead and I hope the children will enjoy all these wider opportunities.

Flowers & card from all the children of Grange laid at the Queen's funeral in London.

### SCHOOL COUNCIL

A big 'well done' to all the children who stood for school council. We are so proud that so many children want to be involved in having a say about their school and are keen to stand and deliver a speech in front of their peers. It is important that the pupils have a voice to get across their own ideas about how we can make improvements in school.
