### Dear Parents

It's been a busy start to the summer term, with school trips, photographs and the King's Coronation.

Year 6 have just sat their SATs tests, and I must commend them on how well prepared they were and how hard every single one of them worked in the lead up.

The summer term seems to fly past—Half term is almost upon us, soon we will all be preparing for move up day and meeting our new teachers.

### KINGS CORONATION DAY

We thorough enjoyed marking the coronation of King Charles III and were very pleased that the sun managed to put in an appearance at the last minute. This is a rare event and we hope that

the children will have made some good and lasting memories of the event. We were really impressed with the standard of the Coronation homeworks, the colouring competition and of course

your bakes! Well done to everyone involved.

### TRIPS

Despite the inclement weather, Year 3 all enjoyed their trip to Wisley where they learnt lots about plants.

Year 5 had a visit from the fire brigade who helped them to learn about how to prevent and keep safe in the event of a fire.

### SCHOOL MEALS

HC3S the catering company for Hampshire schools have announced that from 5 June 2023 the price of school meals **will increase to £3.00**. HC3S have stated that along with everything else, the current economic climate has resulted in significant increases in food and pay costs which has had to lead to the price increase.
