

## Last Reminders for Residential

Time has flown by and we are almost ready to depart on our adventures. Here are a few reminders for Monday:-

1. The children should bring their suitcase, small backpack (for the bus), pocket money, lunch, water bottle (named) and medication to the **hall** between **8.30 and 9.00**. They should be in clothing suitable for starting activities – with a waterproof jacket!
2. **Pocket money** can be up to £20. Please make sure it is in a named purse or envelope and hand it to **Mrs Wiffen**.
3. A **packed lunch**, including a drink in their named water bottle, should be in a bag which can be thrown away. No lunch containers please as everything is thrown away after lunch. These should be given to **Miss Gosden**.
4. **Medication** should be clearly named and dosage instructions included. This should be given to **Mrs Kingshott**. (Asthma inhalers can remain with the children in their small backpack.) Travel sickness tablets should be already taken (timing permitted) or given in with timing instructions.
5. In the **backpack**, there should be a waterproof jacket, a small game to play on the coach (no electronic devices) and a book to read. The children might also like to bring a note pad and pencils to keep a diary of their week or a puzzle book. (You may also wish to put in a small bottle of hand sanitiser!)
6. Everything else should be in their **suitcase**. Please collect your **name tag** from **Miss Dalrymple**, tie it to your suitcase and give it to **Mr Williams**. (The children will not need any snacks or treats – they will be provided by us.)

Clothing does tend to get muddled up in their rooms so please name as much as you can.

Please make sure you pack warm clothes; the weather forecast is looking good although not as hot as this week.

The children are **not allowed** to bring any **electrical entertainment devices, including mobile phones**, but can bring a digital camera and battery operated alarm clock if they like. A torch is a good idea for the evening activities but not essential. Any prohibited electrical devices **WILL** be taken off the children and kept in a secure place for the rest of the week. These will be returned once we arrive back in school.

We will message school as soon as we arrive at the centre and they will send out a parentmail.

There will be a daily update on how we are doing on the website, along with some photos.

Mr. Williams
