March 2024

Dear Parents

This half term has been a busy one with lots of events and trips to enrich the curriculum. We've had class assemblies, Valentine and Mothers Day events, World Thinking Day as well as a half term project.

In the run up to Easter we have some lovely Easter Egg prizes for our annual Easter Raffle. Tickets are available from the school office **25p per ticket**. The raffle will be drawn on **Wednesday 27th March**.

Also this term your child's teacher will be writing your child's Report and these will be sent home on Thursday 28th March.

P Burgess

WORLD BOOK DAY

It was lovely to see so many children dressing up as the book characters or ready for a bedtime story last week to celebrate World Book Day. We are pleased that so many of you also took advantage of the Book Fair. We must also commend those children who entered the poetry competition the standard of writing was excellent.

CHOIR

We would like to extend a 'thank you' to those members of the school choir who went to sing at an old peoples home. Miss Beasley said that the children were a delight and the residents thoroughly enjoyed listening to them sing and having a chat afterwards.

PANCAKE RACE

We celebrated Shrove Tuesday or 'Pancake Day' in great style with our annual pancake race. We all enjoy this fun event. This year yellow team won the relay race and red team won the pancake flip

competition - Well done to everyone who took part.

COMIC RELIEF

Thank you for your donations to the Comic Relief Fundraising day – Friday 15th March, we raised £177. We know the children always enjoy Red Nose Day and we love to see them dressed in red with mad hair styles.

MYSTERIES PROJECT HOME-WORK

Thank you for all the amazing homework projects sent in to school after half term—we love seeing how creative you are, projects ranged from animations to fact files and we are always surprised to see what the children can create out of Lego or out of cake! We create a presentation of all the projects to share with the whole school and keep as a reminder of all the hard work that goes into them.

JUNIOR DUKE

We would like to give a mention to all the children who are participating in the Junior Duke challenges. We are always so delighted to see how the children are learning new skills. Miss LeBas has said that it has been a pleasure to work with those children who have been taking part in the school-led Junior Duke sessions.

SCHOOL TRIPS AND VISITORS

In February, Year 4 enjoyed their visit to the Sea City Museum in Southampton where they learnt lots about Southampton and the people of Hampshire who worked on-board the Titanic.

Year 3 enjoyed being taken back to the Iron Age, where 'Iron Age Matt' put them through their paces about how they might live and work as a Celt.

The whole school had the pleasure of listening to musician Jack Mason. Jack lives in the local area and talked us through his journey on the TV show The X Factor.
