December 2024

With Christmas just around the corner, the holiday period is a great time to take stock of the devices they have (plus any new

Xmas devices) and ensure they are set up correctly with any parental features you feel are appropriate for your child. It can be overwhelming to figure out where to start when it comes to keeping your children safe online. So, to help you get started, internetmatters.org have created the ABC online safety checklist.

New Device?

Is your child having a new device for Christmas and you want help and advice on how to keep them safe while using it?

EE learn is a website you can access regardless of your network which can make learning online fun, accessible and safe.

Be aware of what you share

Get Safe Online have produced a set of tips to help you avoid oversharing and outlines what the consequences might be if you do:
