Age Ratings

Age ratings exist to help protect your child, so we thought we'd provide you with a little reminder of how important it is to check the age ratings of what your child is accessing online. Here are the age ratings of some of the more popular apps that young people are accessing.

Whether your child is viewing films, accessing apps, playing games online or using social media – make sure you check the age rating first to see if your child is old enough.

Safer Internet Day 2025 | Tuesday 11 February

The theme for 2025 is Too good to be true? Protecting yourself and others from scams online. UK Safer Internet Centre have produced some Top Tips to support 7-11 year old to help them stay safe from scams online.

Age Inappropriate Content

“Inappropriate” means different things to different people. What’s perfectly acceptable for one age group, for example, may be highly unsuitable for a slightly younger audience. Online, young people can chance upon inappropriate content in various way – from pop-up ads to TikTok videos.
