Dear Parents

The first half of summer term has flown by and hasn't it been so lovely to see the sunshine recently, it makes such a difference! Year 6 have just sat their SATs tests, and I must commend them on how well prepared they were and how hard every single one of them worked in the lead up. The summer term seems to fly past-. We are busy planning lots of Summer Term events; such as the summer fair and Sports Day and soon we will all be preparing for move up day and meeting our new teachers.

### EVENTS

On 9th May we proudly held a special celebration to mark VE Day (Victory in Europe Day)—a momentous occasion in British history that marks the end of World War II in Europe on 8th May 1945. During the week where children learned about the significance of VE Day and the events that led to the end of the war in Europe. We all enjoyed creating flags, singing songs from the 1940's and the street party.

**SUMMER FAIR—Friday 4th July at 3.30pm**

We hope that you will all join us for some summer fun this year at the summer fair in July.

Last week, before half term was transformed into a vibrant hub of global learning and discovery during our highly anticipated 'Round the World' Theme Week. The event gave pupils the chance to explore different countries, cultures, and traditions through a series of

engaging, hands-on activities designed to spark curiosity and broaden horizons. We loved seeing all the children dressed up - they looked so smart.
